

YOUTH AMBASSADOR PROGRAM

The Lakeshore Children's Advocacy Center provides services and support to some of the most vulnerable children in our community. As a nonprofit organization, we could not exist without the contributions of our volunteers.

Our Youth Ambassador Program is an opportunity for Manistee and Mason County high school students to share their time and talents in a meaningful way, and to help us better serve the families who depend upon our Center.

Youth Ambassadors volunteer their time to assist the LCAC in a variety of ways:

SPECIAL EVENTS:

Ambassadors assist with special events and fundraisers throughout the year. Each Ambassador is asked to commit to assisting with a minimum of one volunteer event each calendar year.

CENTER-BASED PROJECTS:

Ambassadors will meet as a group three times during the year at the Children's Advocacy Center. During our meetings, we will discuss goals and ways to serve. Ambassadors will also assist our staff with work including putting together packets for families, and assembling mailings (stuffing/labeling/stamping envelopes, etc.).
